

# MATERIAL DEPOT

## Material Depot - Part 1

There is a lot of talk about new materials and materials research in Skåne right now. But what is it, what is being researched, what's already available and what's happening in other parts of the world?

Art & Science, Form/Design Center and SPOK are very pleased to be able to invite you to the first of two material seminars in the fall of 2017.

At Material Depot - Part 1 on 11/10 we have a material-packed schedule that includes demonstrations, materials researchers, launch of SPOK's material collection and an inspirational lecture by Dutch superstars Odd Matter.

### PROGRAM:
