

DIGITAL BOOK LAUNCH

# Contemporary Ecocritical Methods

We are celebrating the publication of Contemporary Ecocritical Methods (Lexington) – the first, we believe, broad overview and exemplification of the rich field of ecocritical methods to date.

Three speakers will offer brief introductions to their chapters and the editors will give a very short introduction to the book. After the presentations we raise our glasses and toast to the success of the book!

---

**September 25th, 17.00-18.00 CET**

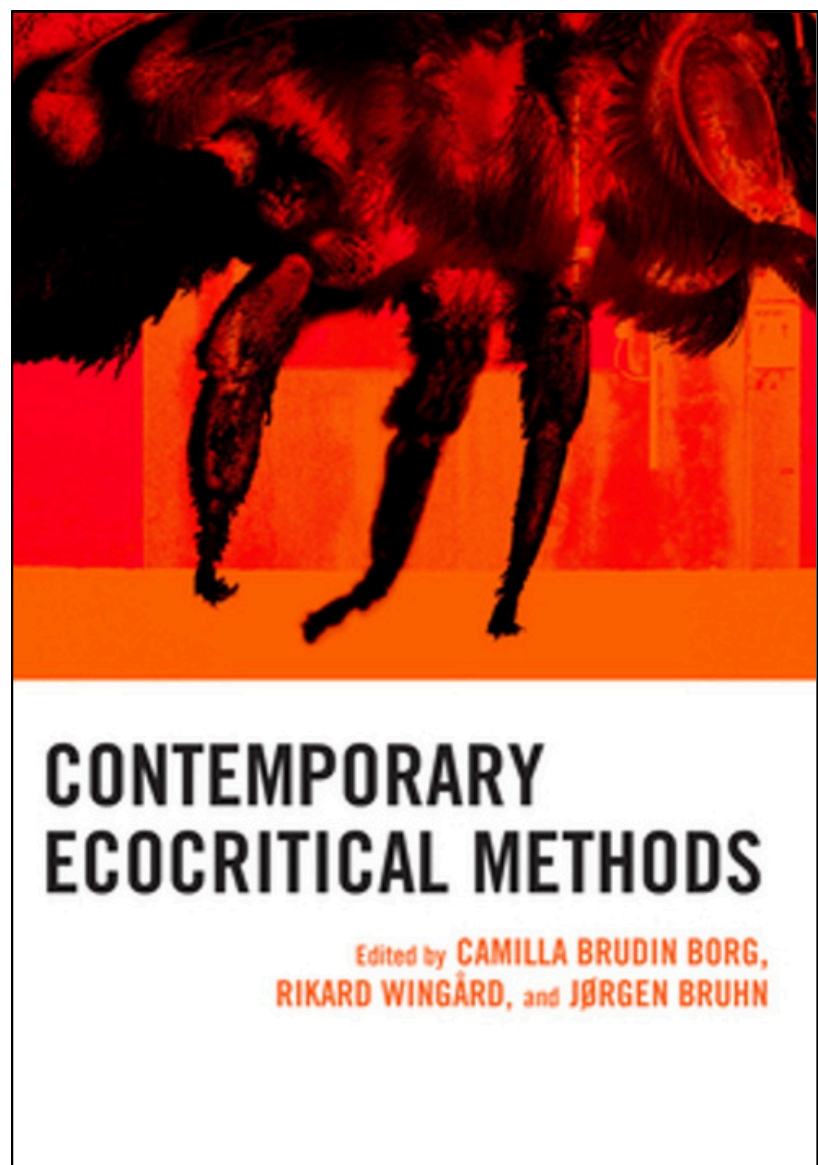

**Join on Zoom:** [lnu-se.zoom.us/j/63395710086](https://lnu-se.zoom.us/j/63395710086) (Passcode: 923500)

The book launch by Linnaeus University Centre for Intermedial and Multimodal Studies and The University of Gothenburg is co-organized with The Posthumanities Hub at LiU.

The book has free, open access:

[rowman.com/ISBN/9781666937886/Contemporary-Ecocritical-Methods](https://rowman.com/ISBN/9781666937886/Contemporary-Ecocritical-Methods)

To get a 30% discount on the printed book, use code **LXFANDF30** when ordering.
