Fine Arts, Denmark

Mikela Lundahl  
University of Copenhagen, Denmark

Edda Manga  
Uppsala University, Sweden

Anders Stephanson  
Columbia University, USA

Maria Stern  
Göteborg University, Sweden

*As European states are turning toward austere economic-political regimes, new forms of exclusion along race, class and gender lines appear. At the same time, homogenizing narratives of history return, from which the memories of minorities, migrants and colonial oppression are excluded.*

*The symposium examines an ongoing enforcement of conformity in the present and interrogates its consequences for our understanding of the past.*

International Symposium  
28-29 November 2013  
The Museum of Work  
Norrköping
